

Updated PrepToolKit Landing Page

Summary of Navigation Features

- Added top-Level menu in header with dropdowns for navigation to toolkits
- Retained interactive National Preparedness System graphic
- Replaced circle buttons with square buttons for navigation to toolkits

PrepToolKit QA

NIMS Exercises Planning Assessments

Welcome

PrepToolKit

PrepToolKit and the National Preparedness System

The National Preparedness System outlines an organized process for everyone in the whole community to move forward with their preparedness activities and achieve the National Preparedness Goal.

The Preparedness Toolkit is an online portal that provides the whole community with tools to aid in implementing all six areas of the National Preparedness System. Select one of the six National Preparedness System areas on the graphic and begin exploring.

About Learn what PrepToolKit has to offer and how to get started. Go to About	National Resource Hub Access and use a suite of web-based tools that support resource management: resource typing, inventorying, and personnel qualifications management. Go to National Resource Hub
Resource Typing Library Tool-RTL Explore the online catalog of all NIMS resource typing definitions, job titles/position qualification sheets, and position task book templates. Go to Resource Typing Library Tool-RTL	Resource Inventory System-RIS Start using a no-cost resource inventorying software tool to support your organization's resource management efforts. Go to Resource Inventory System-RIS
Hazard Explorer Learn about and access GIS / location-enabled tools, data, and smart practices for use in your organization's planning and exercise development efforts. Go to Hazard Explorer	Homeland Security Exercise Evaluation Program Resources-HSEEP Develop, execute, and evaluate exercises in alignment with HSEEP guiding principles. Go to Homeland Security Exercise Evaluation Program Resources-HSEEP
Emergency Management Exercise Toolkits-EM Toolkits Access toolkits to help your organization carry out key preparedness activities: planning, training, exercising, assessing, and engaging. Go to Emergency Management Exercise Toolkits-EM Toolkits	THIRA/SPR and Unified Reporting Tool Complete the Threat and Hazard Identification and Risk Assessment (THIRA) and Stakeholder Preparedness Review (SPR) using the online Unified Reporting Tool (URT). Go to THIRA/SPR and Unified Reporting Tool
Technological Hazards Explore resources for enhancing preparedness in communities surrounding commercial nuclear power plants and U.S. Army chemical weapons stockpile sites. Go to Technological Hazards	Continuous Improvement Technical Assistance Program Access training, tools, templates, best practices, and other resources to support your organization's continuous improvement program. Go to Continuous Improvement Technical Assistance Program
