Virtual Recovery Initiative Fact Sheet

Overview

- In response to COVID-19, and the need to continue recovery planning for an incident at a nuclear power plant, the REP Program will offer virtual seminars and brown bag presentations
- Requests to conduct seminars should be made by submitting a completed worksheet, which can be found in the REP Recovery Initiative community on the Preparedness Toolkit.
- Attendance to brown bag presentations is open and does not require registration, though the audience will be restricted to 90 individuals due to technological limitations

Virtual Recovery Initiative Events
