Department of Emergency Services & Public Protection
Division of Emergency Management & Homeland Security
1111 Country Club Road
Middletown, Connecticut 06457

Dear Deputy Commissioner Rush-Kittle:

The review of your 2020 Annual Letter of Certification (ALC) for the Millstone Power Station has been completed and found to be in compliance with 44 CFR 350, NUREG-0654/FEMA REP-1, and the FEMA Radiological Emergency Preparedness (REP) Program Manual.

My staff and I would like to take this opportunity to thank you and your staff for your dedicated efforts in producing a very comprehensive and well-organized ALC package, especially during the ongoing COVID-19 Pandemic. We thank you and your staff for the excellent REP Program work that was accomplished as was identified in your ALC and supporting documentation.

Should you have any questions, please contact me via e-mail at John.McGough@fema.dhs.gov or (617) 721-2743, or Helen LaForge at Helen.LaForge@fema.dhs.gov or (617) 913-6217.

Sincerely,

John P. McGough
