Peter Rogers, Director
State of Maine Emergency Management Agency
72 State House Station
Augusta, Maine 04333-0072

Dear Director Rogers:

The review of the State of Maine 2020 Annual Letter of Certification (ALC) for the Seabrook Station Nuclear Power Plant has been completed and found to be in compliance with 44 CFR 350, NUREG-0654/FEMA REP-1, FEMA REP-10 and the FEMA Radiological Emergency Preparedness Program Manual.

My staff and I would like to take this opportunity to thank you and your staff for all their dedicated efforts in producing a comprehensive and well organized ALC package.

If you have any questions, please contact me at (617) 721-2743, John Rice (617) 910-7187 or Barbara Thomas of my staff at (617) 785-0754.

Sincerely,

John P. McGough
Deputy National Preparedness Director
Technological Hazards Branch Chief
Regional Assistance Committee Chair
Acting Regional Integration Branch Chief
