Mr. G. E. McCabe  
Director  
West Virginia Emergency Management Division  
2403 Fairlawn Avenue  
Dunbar, West Virginia 25064

Dear Mr. McCabe:

We have reviewed your Annual Letter of Certification submitted on January 17, 2023, and attached documents, against the evaluation criteria contained in the Radiological Emergency Preparedness (REP) Program Manual Part IV, L, dated December 2019.

Our review of your annual certification submission indicates that appropriate activities were accomplished during calendar year 2022 and are in compliance with the periodic requirements contained in the REP Program Manual in the following areas:

- Update of Plans/Procedures and Letters of Agreement
- Public Information and Education
- Radiological Emergency Response Training
- Drills
- 24-Hour Staffing
- Emergency Facilities and Equipment
- Responsibility for the Planning Effort
- Alert and Notification

The information provided assures that the requisite activities were completed during 2022 to protect the public in the event of a radiological emergency affecting the citizens of the State of West Virginia.

If you have any questions, please contact the Technological Hazards Branch Chief, Thomas Scardino, at (215) 931-5546.

Sincerely,

Lilian Hutchinson  
Director, National Preparedness Division  
Federal Preparedness Coordinator  
FEMA Region 3
