Gracia Szczech  
Regional Administrator  
Federal Emergency Management Agency  
Region IV  
3003 Chamblee - Tucker Road  
Atlanta, Georgia 30341

Dear Ms. Szczech:

The following certification is made in accordance with Section II, Paragraph P.4 of NUREG-0654/FEMA REP-1, 44 CFR 350, and FEMA Guidance Memorandum PR-1, Section C, October 1, 1985.

The State of Georgia has met the Radiological Emergency Response (REP) planning and preparedness requirements for the calendar year 2020. The REP plans and related agreements which have been prepared for commercial nuclear reactors in or impacting the State of Georgia have been reviewed and updated as necessary. This applies to the Georgia Radiological Emergency Preparedness Base Plan, Annexes, and impacted county plans.

Sincerely,

James Stallings  
Director – Georgia Emergency Management and  
Homeland Security Agency
