

FEMA

February 29, 2024

Mr. Marc R. Pappas, Director
Rhode Island Emergency Management Agency
645 New London Avenue
Cranston, Rhode Island 02920

Dear Director Pappas:

The review of the State of Rhode Island 2023 Annual Letter of Certification (ALC) for Millstone Power Station has been completed and found in compliance with 44 CFR 350, NUREG-0654/FEMA-REP-1, Rev. 2, and the FEMA Radiological Emergency Preparedness Program Manual.

I would like to take this opportunity to thank you and your staff for your dedicated efforts in producing a well-organized and comprehensive ALC package.

If you have any questions, please contact me at (617) 480-6998, Taneeka Hollins at (617) 447-4986 or Helen LaForge at (617) 913-6217.

Sincerely,

Ingrid Pierce
Regional Assistance Committee Chair
FEMA Region 1
