

FEMA

March 1, 2024

Mr. Gary Machina
Chief, Radiological Preparedness
New York State Division of Homeland Security and Emergency Services
1220 Washington Ave., Bldg. 22, Suite 101
Albany, NY 12226

Dear Mr. Machina:

This is in response to your Annual Letter of Certification (ALC) submitted with supporting documentation as prescribed in Guidance Memorandum PR-1, "Policy on NUREG 0654/FEMA REP-1, Rev. 2 and 44 CFR 350 Periodic Requirements." All supporting documentation, provided by New York State, Wayne, Monroe, and Oswego Counties were reviewed using the Annual Letter of Certification Review Guide and was determined to be compliant with all the requirements of Radiological Emergency Preparedness (REP) Program Manual dated December 2019 and Guidance Memorandum PR-1 for Program Year 2023.

If there are any questions, please do not hesitate to contact me at 202-309-4554.

Sincerely,

Susan O'Neill
FEMA Region 2
National Preparedness Division
Technological Hazards Branch Chief
Regional Assistance Committee Chair
