Mr. G. E. McCabe
West Virginia Emergency Management Division
1700 MacCorkle Avenue, SE, 6th Floor
Charleston, WV 25314

Dear Mr. McCabe.:

We have reviewed your Annual Letter of Certification (ALC) and attached documents submitted on January 22, 2024, against the evaluation criteria contained in the Radiological Emergency Preparedness (REP) Program Manual Part IV, L, dated December 2019. We also received an addendum from you on March 1, 2024, per our request and discussion with your staff.

Our review of your annual certification submission indicates that appropriate activities were accomplished during calendar year 2023 and are in compliance with the periodic requirements contained in the REP Program Manual in the following areas:

- Update of Plans/Procedures and Letters of Agreement (LOAs)
- Responsibility for the Planning Effort
- Public Education and Information
- Radiological Emergency Response Training
- Drills
- 24-Hour Staffing
- Emergency Facilities and Equipment
- Alert and Notification

The information provided assures that the requisite activities were completed during 2023 to protect the public in the event of a radiological emergency affecting the citizens of the State of West Virginia.

If you have any questions, please contact Thomas Scardino at (215) 931-5546.

Sincerely,

Lilian Hutchinson
Federal Preparedness Coordinator
Director, National Preparedness Division
