February 22, 2021

Joe Kelly
Director, Division of Homeland Security
and Emergency Management
445 Minnesota Street Suite 223
Saint Paul, MN 55101

Dear Mr. Kelly:

The State of Minnesota's 2020 Annual Letter of Certification (ALC) with supporting documentation was received on January 27, 2021.

The Department of Homeland Security/Federal Emergency Management Agency Region V Radiological Emergency Preparedness Program staff completed their review of the ALC and determined it is in compliance with requirements stipulated in NUREG-0654/FEMA-REP-I, Rev. 1; Radiological Emergency Preparedness Program Manual; and 44 Code of Federal Regulations (CFR) Part 350. Therefore, the Title 44 CFR, Part 350 approval of the offsite radiological emergency response plans and preparedness for the State of Minnesota remains in effect. Due to COVID-19 restrictions, the report is being provided in electronic format only.

If you have any questions, please contact Sean O'Leary, Chair, Regional Assistance Committee, at (312) 408-5389.

Sincerely,

For Kevin M. Sligh Sr.
Acting Regional Administrator
