Dear Mr. Cox:

The State of Indiana's 2020 Annual Letter of Certification (ALC) with supporting documentation was received on January 27, 2021.

The Department of Homeland Security/Federal Emergency Management Agency Region V Radiological Emergency Preparedness Program staff completed their review of the ALC and determined it is in compliance with requirements stipulated in NUREG-0654/FEMA-REP-I, Rev. 1; Radiological Emergency Preparedness Program Manual; and 44 Code of Federal Regulations (CFR) Part 350. Therefore, the Title 44 CFR, Part 350 approval of the offsite radiological emergency response plans and preparedness for the State of Indiana remains in effect.

If you have any questions, please contact Sean O'Leary, Chair, Regional Assistance Committee, at (312) 408-5389.

Sincerely,

Kevin M. Sligh Sr.
