2800 SW Topeka Blvd
Topeka, KS 66611-1287

Re: State of Kansas Submittal of the 2020 Annual Letter of Certification for
Wolf Creek Generating Station

Dear Ms. Morgan:

We have completed a review of the 2020 Annual Letter of Certification (ALC) for the Wolf Creek Generating Station. Your submission has been approved. We have also reviewed and approved your Corrective Action Plan (CAP) for the five items identified in the ALC, two of which have not yet been completed. This CAP will be filed with the ALC submission.

If you have any questions, please feel free to contact Heather Wilson at (202) 262-6859 or heather.wilson@fema.dhs.gov.

Sincerely,

Thomas Morgan, RAC Chair
Chief, Technological Hazards Branch
