Dear Ms. Johnson:

Enclosed is the California's 2020 report on the Periodic Requirements and Annual Letter of Certification (ALC) related to the Diablo Canyon Power Plant (DCPP).

The 2020 report has been prepared in accordance with the Radiological Emergency Preparedness (REP) Program Manual ALC Review Guide and Public Information Review Checklist dated January 2016. All requisite activities have been acknowledged and completed by state and local organizations and Pacific Gas & Electric.

If you need further information, please contact me at (916) 845-8772 or by email at [michael.warren@caloes.ca.gov](mailto:michael.warren@caloes.ca.gov). By copy of this letter, I would like to thank all of the participants for their valuable input and their hard work as demonstrated in the outstanding achievements outlined in this report.

Sincerely,

*Michael Warren*
